Do they sound too good to be true?

Educate yourself before you vote.

Learn of the potential impacts to our economy and our communities from local business and community leaders.

These issues could be the most important issues we have seen in decades.

Statewide issues that will affect Douglas County voters and our ability to decide on local issues.

Please mark your calendar for *Friday, August 27th for the South American Wine Tour to be held at Cherokee Ranch Castle.*

Tickets for this event will be available online August 6th.

Learn how if passed, they could drastically affect our local services, state and local economy and communities in general.

If passed affects will impact: law enforcement, emergency services, roads, parks, schools, open space, public infrastructure, water projects, thousands of jobs, state economy and so much more.

Bring everyone you know.... family members, neighbors, friends and colleagues.

Hear from both sides of the campaigns.

These issues could change Colorado forever.
