### **A Common Denominator of the Most Successful People: They Read...**

A potential educational component offered by your Chamber, a new Business Book Club, is being considered. The purpose of the Business Book Club would be to offer casual discussion of business-related books which in turn would provide the opportunity for greater insight on how new ideas or theories might be put to practical use in your own work. The group would meet monthly and the only expense would be the cost of the books. For more information please contact Sharon at 303-688-5656 or [Sharon@CastlePinesChamber.com](mailto:Sharon@CastlePinesChamber.com).
