

# Easterfest 2008

03/13/08

Business in the Pines held the second annual EasterFest on Thursday, March 13.

Held in the Business District in CPN, EasterFest delighted kids of all ages with activities and goodies galore.

Besides lots of Easter goodies, there were Springtime tattoos, cookies decorated at Entrée Vous, drawings held for two \$50 Toys R Us certificates and a US Savings Bond, plus Easter bingo.

There was a bunny cupcake walk every 15 minutes and an Easter bonnet/hat contest.

The Easter Bunny himself was at Castle Rock Bank for boys and girls to meet and greet.

Prudential Preferred Real Estate collected "care package" items to donate to a platoon stationed in Iraq.

Anyone who brought in a donation for the platoon received a certificate for a new tree to plant in their yard.

EasterFest was a hopping good time for all.

Congratulations
